Dear young Zarathushtis,

On behalf of the Zoroastrian Youth of North America, we welcome all participants to the **11<sup>th</sup> North American Zoroastrian Youth Congress 2005**. We welcome you to the beautiful city of Miami. This metropolitan area is a very attractive and beautiful setting, which will enable our young Zarathushtis to fully enjoy their participation in all these proceedings.

The theme of the Congress is *"Living the Zarathushti Life"*.

In keeping with this theme, we need to recognize and practice the tenets of the Mazdeyasni faith as propounded in the Divine Revelation of Asho Zarathushtra. Hence, the program and most events are directly related to increasing our awareness and knowledge of the Zarathushti religion, as it applies to our daily lives.

FEZANA is pleased to offer Registration sponsorships to young Zarathushtis from the Hurricane affected areas and 10 partial subsidies to attendees, to participate.

We recognize the hard work of the ZYNA Co-chairs, Afreed, Freyaz, Negin and the volunteers of the Congress organizing committee, who have spent many hours of personal time and effort in making this a memorable event in our lives.

Our profound thanks to the Speakers, Presenters, Sessions Moderators, Workshop Conveners and those who have contributed their valuable time by sharing their ideas and knowledge with us.

Our special gratitude & thanks to the Zoroastrian Association of Florida for their support.

We hope that the Congress will end with joyous memories of rekindled earlier friendships and establish new ones, by participation in the various sessions and workshops.

On behalf of ZYNA and FEZANA, we thank you all for your participation in the Congress. We wish you all a very successful program.

Yours Sincerely,

*Firdosh Mehta*
