Omar Asghar Khan Development Foundation

PAKISTAN

Respected Sir,

On behalf of FEZANA, I would like to thank you and your Foundation for providing us a helping hand in coordinating free shipment of clothing and shelters, to the survivors of South Asia Earthquake in Pakistan.

The catastrophic earthquake on 8th October, 2005 in South Asia, was devastating and over 3-million were rendered homeless. The bitter cold on the mountains placed a serious toll on the lives of the survivors, who urgently needed shelters and warm winter clothing to protect their lives.

UPS was instrumental in providing free shipping for the clothing items collected by the Zoroastrian communities of Montreal, Toronto & British Columbia in Canada; and New York, Washington DC, Chicago, Houston and California in United States. About 20,000 lbs of clothing items were shipped in a total of 426-Boxes addressed to your Foundation in Islamabad. We are grateful to UPS staff and your volunteers for their dedication to this project.

This activity was coordinated by Mr. Meher Amalsad of FEZANA with Toxy Cowasjee, our official Zoroastrian liaison in Pakistan, representing the World Zoroastrian Organisation (WZO).

This was an excellent example of how your organization in Pakistan worked with our North American Zoroastrian Community to make a remarkable difference in humanity.

We wish you and your organization success and prosperity.

Yours sincerely,

Firdosh Mehta
